

Healthy Children's Environments in Saskatchewan  
**Strategies to Reduce Environmental  
Risks to Children's Health**

February 22, 2010 from 9:00 a.m. - 4:30 p.m.

*Information from:*

Canadian Partnership for Children's Health and Environment

*Organized by:*

Saskatchewan Prevention Institute

*Sponsored by:*

Health Canada - Manitoba and Saskatchewan Region

**Location:** United Way Connects Building  
1440 Scarth Street, Community Room, Regina

**Learn:** What is children's environmental health? Why are children more at risk?  
What are the risks?

Participate in an interactive workshop that not only gives information but also helps participants strategize ways in which they can address this issue in their communities and/or organizations.

**Audience:** Front line workers, funders

This workshop is free of charge. However, registration is required. Registration deadline is February 12, 2010. Please register early as space is limited to 30 participants.

If you have any questions, please contact Lee Hinton at 655-2528 or email: [lhinton@preventioninstitute.sk.ca](mailto:lhinton@preventioninstitute.sk.ca)
